

1) Safely cut out the mask.

2) Safely punch out holes for string on the edges of the mask, by the eyes.

3) Safely cut out holes for your eyes. They may not line up with the eyes of hoops or yoyo because their eyes are pretty far apart.

4) Secure string to mask, careful not to tear mask.

5) Put mask on, enjoy it. Impress your friends. Send us a picture.
